The plan is to start construction of our new church in early 2019. We need another \$1.5M in pledges in 2018 to start construction in 2019. Please prayerfully consider how you might play a role in securing the future of St. Frances of Rome Catholic Church.

As your pastor, I have demonstrated my own true sacrifice by pledging \$5,000 from my own personal resources to help us to reach our goal. I am asking each of you to search your hearts to determine your own level of sacrificial giving towards this effort.

**I am not asking for your financial commitment at this time but in order to gauge the feasibility of reaching our goal, please indicate below what you might be willing to donate during 2018.**
